Available Formats:	4 L concentrate, 25 L concentrate, 30 L concentrate, 30 L RTU solution
Appearance:	Clear liquid
Color:	Colorless to light yellow
Solubility:	Completely soluble in water
Shelf Life:	6 months under recommended storage conditions

STORAGE

- Store sealed in the original container.
- Store at 20–30°C.
- Keep away from direct sunlight, excessive heat, and freezing.
- Keep container tightly closed after use.

APPROVALS & CERTIFICATIONS

SASO Product Certificate of Conformity (SABER):
84899-035-26-2498307.

HOW TO USE

For RTU Solution:

- Use as supplied,
- Ensure full surface coverage and wet during the required contact time.
- For food-contact surfaces, rinse with clean water where required by site SOP before food contact.

For Concentrate:

- Dilute 1:19 (1 L concentrate + 19 L clean water to prepare 20 L ready-to-use solution).

Contact Time:

- 1 minute: kills 99.9% of tested bacteria.
- 5 minutes: kills up to 99.999% of tested bacteria.
