**Natural Fruit &
Vegetable Detergent**

Natural Fruit & Vegetable Detergent

FLX-VG002

A natural detergent solution formulated for washing fresh fruits and vegetables to support the removal of dirt, surface contaminants, and organic residues while helping reduce surface microbial load.

- Tested under applicable SASO/GSO evaluation frameworks
- No impact on color, odor, or taste.

- Reduces surface microbial load on fruits and vegetables
- Removes dirt and surface impurities effectively
- Preserves natural color, odor, taste, and nutritional quality
- Food-grade, non-toxic, and non-corrosive formulation easy to rinse with no harmful residues
- Suitable for industrial and household use

HOW TO USE

- Dilute the product according to the label instructions.
- Apply to fruits and vegetables using soaking, spraying, or standard washing systems.
- Maintain a contact time
- Rinse with potable water as required by food safety procedures.

PRODUCT DATA

Appearance:	Clear, colorless liquid
Odor:	No detectable odor
Solubility:	Completely soluble in water
Viscosity:	Low, water-like
Shelf Life:	6 months (under recommended storage conditions)

COMPOSITION

Natural pH adjuster and mineral salts , natural plant extract , pH regulator , purified water .

STORAGE

- Store in the original sealed container in a cool, dry area.
- Protect from excessive heat, direct sunlight, and freezing temperatures.
- Handle and store in accordance with standard industrial hygiene practices.

APPROVALS & CERTIFICATIONS

- SASO Product Certificate of Conformity (SABER): 84899-035-25-2198491.
- Classified by SFDA PCS-CP-202511-3224.
