

FLX-CV FLORAEX™ Food-Grade Processing Aid PRO

FLORAEX™ Food Grade Processing Aid PRO is a professional food-grade wash concentrate designed for controlled raw poultry washing applications in food-processing environments.

- Supports surface cleaning, organic-residue removal, and microbial-load reduction

COMPOSITION

Acidity regulators, Stabilizer, Mineral salts, Purified water.

PRODUCT DATA

Product Form:	Concentrat
Available Formats:	4 L concentrate, 5 L concentrate, 25 L concentrate, 30 L concentrate, 30 L concentrate
Appearance:	Clear liquid
Color:	Colorless to light yellow
Solubility:	Completely soluble in water
Shelf Life:	6 months under recommended storage conditions

STORAGE

- Store sealed in the original container.
- Store at 20–30°C.
- Keep away from direct sunlight, excessive heat, and freezing.
- Keep container tightly closed after use.

APPROVALS & CERTIFICATIONS

SASO Product Certificate of Conformity (SABER): 84899-035-26-2498301.

HOW TO USE

Dilution:

- Dilute 1:19 before use. (1 L concentrate + 19L clean water to prepare 20 L working solution).
- Apply by immersion, rotating drum, chiller/rinse system, or spray/nozzle application.
- Ensure full and uniform coverage.
- Drain after application according to site SOP and HACCP requirements.
- Final rinse may be applied only if required by facility HACCP, product nature, or site SOP.

Contact Time:

- Recommended contact time: 5–10 minutes.
- 5 minutes: 99.9% microbial reduction, 10 minutes: 99.99% microbial reduction under controlled laboratory conditions.
