POULTRY WASH**

For industrial use only

FLX-CH007

NATURAL POULTRY WASH

For industrial use only

Natural poultry wash used as a rinse solution for raw poultry during industrial processing to support the removal of surface contaminants and the reduction of microbial load.

- Tested under applicable SASO/GSO evaluation frameworks
- No impact on color, odor, or taste.

- Concentrated formulation designed for industrial poultry processing applications
- Supports the reduction of surface microbial load on raw poultry
- Integrates seamlessly into existing processing operations

HOW TO USE

- Prepare the washing solution according to the instructions for use on the label.
- Apply to raw poultry using standard industrial systems and maintain the validated contact time under normal processing conditions.

PRODUCT DATA

Appearance:	Clear, colorless liquid
Odor:	No detectable odor
Solubility:	Completely soluble in water
Viscosity:	Low, water-like
Shelf Life:	6 months (under recommended storage conditions)

COMPOSITION

Natural pH adjuster and mineral salts , natural plant extract , pH regulator , purified water .

STORAGE

- Store in the original sealed container in a cool, dry area.
- Protect from excessive heat, direct sunlight, and freezing temperatures.
- Handle and store in accordance with standard industrial hygiene practices.

APPROVALS & CERTIFICATIONS

- SASO Product Certificate of Conformity (SABER): 84899-035-25-2201590.
- Classified by SFDA PCS-CP-202512-3309
